

**DUAL IMMERSION SECONDARY RECOMMENDATION  
SUBJECT TO CHANGE**

The following chart indicates the recommendation for Dual Immersion secondary implementation. This recommendation is subject to student enrollment, school boundaries, and target language teacher availability, which can change over time. The dual immersion student enrollment must be able to sustain the FTE needed to maintain the program at each school site. It is the intent of this recommendation to follow a feeder system alignment from elementary to secondary schools as often as possible in an effort to best serve district families.
