**NOTE:** *“ The elementary dual language immersion program is considered to be a comprehensive educational experience. Beginning in the first grade, paired English and target language teachers collaborate to support student mastery of both the core content standards and target language skills in a full day program. It is our expectation that students who participate in the language immersion experience participate fully in the school academic day and its prescribed instructional design.”*

**Please complete and return your application along with the Parent Commitment Form to the school for whose program you are applying.**

**PARENT COMMITMENT FORM**  
JSD Portuguese Dual Language Immersion Program

Parent Name \_\_\_\_\_ Date \_\_\_\_\_

Child's Name \_\_\_\_\_ Grade Level \_\_\_\_\_

I am requesting that my child be enrolled in the **Portuguese Dual Language Immersion** program at \_\_\_\_\_ Elementary. I understand that the enrollment of my child is conditional on my understanding of and commitment to the following, along with space availability:

1. Children enrolled in the Portuguese immersion program will remain together in first grade through sixth grade.
2. I understand that parents need to read to their child at home 20-30 minutes daily in English.
3. Since success in an immersion program requires consistent instruction over time, I intend to support my child in the Portuguese immersion program in grades one through six.
4. I understand attendance is of key importance and commit to having my child arrive at school on time and attend school except for illness and family emergencies.
5. I will consult with teachers and administration for additional strategies to support my child to increase success in the Portuguese immersion program.
6. I understand that the dual immersion model will be implemented in each class of my child's 50/50 day. Content and instruction will be based on the state model.
7. Once enrolled in the Dual Language Immersion program, any academic/behavior concerns will be addressed with the principal. Appropriate interventions will be implemented. If documented interventions are unsuccessful, a formal conference with the principal, parents, student, and teacher, will take place.
