It is our expectation that students who participate in the language immersion experience participate fully in the school academic day and its prescribed instructional design. PARENT COMMITMENT FORM

JSD Spanish Dual Language Immersion Program

Parent Name _____

Date _____

Child's Name _____

Grade Level _____

I am requesting that my child be enrolled in the **Spanish Dual Language Immersion** program at _____ Elementary. I understand that the enrollment of my child is conditional on my understanding of and commitment to the following, along with space availability:

1. Children enrolled in the Spanish immersion program will remain together in first grade through sixth grade.
2. I understand that parents need to read to their child at home 20-30 minutes daily in English.
3. Since success in an immersion program requires consistent instruction over time, I intend to support my child in the Spanish immersion program in grades one through six.
4. I understand attendance is of key importance and commit to having my child arrive at school on time and attend school except for illness and family emergencies.
5. I will consult with teachers and administration for additional strategies to support my child to increase success in the Spanish immersion program.
6. I understand that the dual immersion model will be implemented in each class of my child's 50/50 day. Content and instruction will be based on the state model.
7. Once enrolled in the Dual Language Immersion program, any academic/behavior concerns will be addressed with the principal. Appropriate interventions will be implemented. If documented interventions are unsuccessful, a formal conference with the principal, parents, student, and teacher, will take place.
8. I understand that my student's continued participation in the DLI program is contingent on regular attendance, appropriate behavior, and compliance with all school rules and district policies, and that chronic absenteeism or behavior incidents that result in suspension may result in my student's removal from the program. Should that occur, I agree that my student would be returned to enrollment in our boundary school.
